- Processed and analyzed raw data collected from field work.
- Improved the statistical procedure usage and reporting method.

Teaching Experience

Codementor.io *Remote*

Data Analytics Mentor *2018-present*

- Supports clients through a live session mentoring on task relating to analytic, predictive modeling and statistical programming using R and other related analytical software packages.

BNet Learning *Remote*

Faculty Member Data Analytics *2018-present*

- Designed individualized curricula based on the participants' career path.
- mentoring of aspiring data analytics professionals

EduPristine *Lagos, Nigeria & Beirut, Lebanon*

Guest Faculty Business Analytics *2015-2016*

- Designed individualized curricula based on the participants' career path.

AfriHUB Nigeria Limited *Umuahia, Nigeria*

Guest Faculty IBM SPSS *2011-2012*

- Improved the knowledge of both students and lecturers of Michael Okpara University of Agriculture, Umudike, Abia State in the usage of statistical software (SPSS) for data analysis.
- Designed an electronic test to monitor performance and understanding.
- Designed individualized curricula.

SkillSets

Data Tool Box

R | Python | Julia | SQL | Excel | ODK | SPSS

Development Environments

Rstudio | Jupyter | VS Code | Pluto

Databases

PostgreSQL | Elasticsearch

BI Tools

PowerBI | Looker Studio | Tableau | Kibana

Operating Systems

Windows | Ubuntu | CentOS

Certifications

Certification in Business Data Analytics *Canada*

International Institute of Business Analysis *2022*

Award of excellence for branding the Federal University of Technology, Akure

Akure, Nigeria

Federal University of Technology, Akure
